FIFTEEN CENTS

\$100,000 in gems and cash

Jeweler, wife bound, gagged and robbed

Three masked men reportedly made off with over \$100,000 in jewelry and cash in an early morning, August 10 home invasion, after binding and threatening summer vacationers at gunpoint.

The summer home, on Greenview Ave., off of Rena, Antioch Township, is reportedly owned by a Chicago jeweler, Hans Arentz.

Lake County Sheriff's Police say they are searching for three men who entered the Arentz summer home at approximately 2:15 a.m., tied up Arentz, his wife and their daughter, who is in her 20's, and ransacked the home.

According to Cpl. Willie Smith, who is investigating the case, the men reportedly were wearing poncho-type raincoats and bandanas over their noses and mouths.

They reportedly entered the house through an unlocked door and awakened victims holding two-inch, short-barreled 38 caliber revolvers, saying, "Lay still and you won't get hurt."

The Arentz family was tied at their hands and feet with plastic restrainers and cord from the Venetian blinds, Smith said, and the bedroom door was locked behind them while the robbers ransacked wallets, purses, and the rest of the house.

Lake County Police were contacted at approximately 2:49 a.m. after the young girl freed herself, and the family broke the bedroom door off its hinges.

Approximately \$100,000 in jewelry and an undetermined amount of cash were reported stolen from the house.

Smith said the offenders were described simply as three men: one in his early 20's, one in his late 20's and one in his early 40's. Police believe they fled on foot.

School starts August 25 at Antioch High

Antioch Community High School matriculation for students is nearly upon as with matriculation for freshmen on Tuesday, August 19, sophomores on Wednesday, August 20, juniors on Thursday, August 27, and seniors on Friday, August 22.

Students will pick up class schedules, have I.D. pictures taken, pay fees and receive other information pertaining to the opening of school. Freshmen, sophomores and juniors will also have underclass pictures taken.

Matriculation is only for students who are enrolled and have selected courses. New or reentering students must come in prior to the dates shown and select courses in order to participate in matriculation.

All students who have previously registered for 80-81 have been mailed detailed instructions in a newsletter. Any student who did not receive a newsletter should call the Guidance Department for registration information. (395-1421).

The first day of school is Monday, August 25. Freshman only will be in attendance from 8 to 10:40 a.m.

All students will be on a full schedule beginning Tuesday, August 26.

Chamber works on plans for Moonlight Madness

The regular luncheon meeting of the Retail Group of the Antioch Chamber of Commerce and Industry was held at the Windjammer Restaurant on Friday, August 8.

The Arts and Crafts Fair and Maxwell St. Days both proved extremely successful, since retailers reported that they were dollars ahead of last year even counting the rainy interruptions occurring on Saturday.

The main business at hand proved to be the upcoming Moonlight Madness scheduled for Thursday night, August 28.

The festivities will begin at 7 p.m. and go until 11 p.m.

Committee Chairman Laddie Korecek reported that \$600 was made on the sale of pop and beer at the Art Fair, though the popcorn sales suffered a loss which was blamed on the hot weather.

Chamber Secretary Dixie Sparks reported on moonlight madness activities that included clowns from the Moose Lodge to hand out balloons and suckers.

Plans also include a car give-a-way, the winners to be announced at 11:15 p.m. These and the winners of the pajama contest were awarded at the village parking lot at that time.

Car winners must be present and over 18 years of age or have a parent present.

There was a suggestion made by Bill Patterson that the committee look into having more events to draw a larger crowd, and a possible 10 percent discount to be given those wearing pajamas was discussed.

Chairman Korecek said that he would have to get in touch with the popular consensus of the merchants in this matter.

Patterson also suggested that special functions or sales on fall goods be added, so that the people would not just think of the celebration as a continuance of Maxwell St.

Jack Seigmeier, noted that the lateness of

this year's sales and an additional 10 percent discount might both help to increase the attendance of this year's Moonlight Madness.

Chairman Korecek reiterated that since the six merchants that participated in Maxwell Street Days without holding membership were billed \$25 for the event, the same rule will hold during Moonlight Madness.

The fact that the Chamber sponsors seven functions annually, with a membership fee of \$100, was called a bargain compared to the paying of \$25 for each of the seven functions,

Homecoming theme contest

The student council of Antioch Community High School has announced that homecoming activities will be held Oct. 16-18.

As in the past, the State Bank of Antioch will sponsor a contest to select the homecoming theme. The winner will be chosen by the student council and will receive a \$50 series "E" bond.

All decisions of the judges are final. Deadline for entering: Sept. 8.

Mail entries to: ACHS Student Council, c/o Jay Bratton, 1133 S. Main St., Antioch, IL 60002.

Grade School Board cedes school sale

After the regular business was conducted, the Antioch Grade School Board's first bit of business at the August 5 board meeting, was to turn the sale of the Channel Lake School over to a realtor since all efforts, to date, to sell the building, have failed.

The latest refusal came from the Mason Union Officials of Lake County.

On July 29, the school board negotiations team and the teachers' association, tentatively agreed upon a contract for the 1980-81 school year, pending entire board and teacher approval.

Board approval is expected on August 19 and the teacher's okay may come on August 25.

The following important announcements were made: the acceptance of the resignation of Ron Cilecote who will teach at Wauconda; registration for the 80-81 school year will be held on Tuesday and Wed-

nesday, August 19 and 20, each building to hold separate registrations during the same hours; teacher institute luncheon will be held for certified and non-certified personnel on August 25, at 11:30 a.m. in Upper Grade School cafeteria.

The board, following the business manager's recommendations, awarded contracts after taking bids on milk for the 80-81 school year and gasoline to be used in the same school term.

Sparkman Dairy Service, presently serving the district, was awarded the milk contract with bids of 10.69 and 11.98.

Olson Oil received the gasoline contract with a low bid of \$1.085 per gallon.

The board also approved the appointment of Marge Stalley as treasurer at a salary of \$85 per month and okayed Jeanine Andrews for the IMRF position.

When I think about it Anyone for a garage sale?

by GLORIA DAVIS

Do you know how all those little home markets got the name that is world famous after years of being plastered on grocery store billboards and telephone poles all over the country?

The songs of the mythical sirens that drew the ill fated sailors onto the rocks of the sea were never more tempting than those seductive little bits of cardboard advertising this week's garage sale.

Now why do they call them "garage sales" when it is almost immediately obvious that no one is selling a garage?

HEAVEN KNOWS, with the interest rate being what it is and the real estate market not exactly booming, it's hard enough to sell a house with an attached garage.

I doubt if anyone in their right mind is about to attempt to sell a garage with nothing attached.

Admittedly the items to be sold are often housed in a garage, or is it garaged in a house, oh well, either way, most of the wares are usually displayed in someone's yard.

Maybe the real reason that they are called "garage sales" is that this is usually the final destination of most of the items purchased at these sales, or is it because the garage is the only place left for the rest of the family to move to when either mom or dad or both are "garage sale" addicts.

BUYER BEWARE, I've read about some of the tricks of the garage sale trade such as the labeling of any disreputable item that is older than 1978 with the one enticing word, "antique."

Another trick is known as the old high price, cross out bit.

One of my favorites is the one where several items are stacked in a corner and labeled not for sale.

That really means that these things are no different than any of the others. They are merely awaiting the inevitable, pleading and

bidding of the buyers who are victims of the "grass is greener" syndrome.

Now I know where the saying, "One man's garbage is another man's treasure comes from."

Judging from the looks of most of the things on display at these sales, someone has just decided to use your garage as their garbage can.

I'm speaking of such oft seen treasures as stacks of chipped miscellaneous dishes, piles of kids games that have 75 percent of their parts missing and racks of clothing that went out of style along with the laced-up corsets and the mini skirt.

You'll also find lots of guaranteed small appliances, guaranteed to blow a fuse as soon as you take them home and plug them in that is.

But who am I to argue with success and successful they certainly are.

I guess the answer is the same as the one that explains the age old popularity of many con-games.

It's the larceny present in a little corner of everyone's heart that drives them to try and get something for nothing.

What happened to that other old wise saying, "There ain't no free lunch?"

4-H Club News

The Town and Country 4-H Club had a mini-fair recently at Antioch High School. All the 4-H'ers and their families attend the special achievement night activity. They brought items to show as they would at the Lake County Fair.

George Taylor demonstrated how to make a wooden stool, and Jenny Mayer described her ceramics.

What lures and weights to use for fishing was explained by John Wierschem, while Tom Schroeder told about his rabbits.

Goats were the topic of conversation for Julie Wierschem.

Everyone brought projects to be exhibited. Julie Carpenter and Tracie Rusher displayed their reading posters, while Jeanne and Chris Marsh, Tracie, and Lorna Whitton exhibited some of their sewing articles.

GARY Weinberger presented a display dealing with goat care, and Lisa Mayer showed some of her ceramics.

Holly Taylor, Julie, Tracie Chris and Lorna, the cooks in the club, brought the tasty treats for the evening.

Goat milk and goat butter served on crackers were the highlight choice of the food.

DEBBIE Hebior, a former 4-H'er and queen accompanied by her mother, were the special guests. Debbie spoke to the young new 4-H'ers and their families about her experience in the program.

She encouraged them to do their best. She then judged all the projects and awarded ribbons to the 4-H'ers.

Everyone had a good time, reported member Holly Taylor.

Teeth Are Tough ... But ...

Teeth are tough! Did you know that the outside layer of teeth (the enamel) is the second hardest naturally occurring substance. Only diamond is harder. That's one reason why more human teeth are found as prehistoric relics than any other part of the body.

It seems paradoxical that such a fabulously hard substance should be such easy prey to decay. It's amazing how teeth can decay in short order from contact with sugar and its eventual change into enamel-eating acid.

Another thing to be careful of is eating extremely hot and cold foods together. For example, drinking hot coffee while eating ice cream is liable to make teeth crack,

because tooth enamel and the dentin underneath it expand and contract at different rates as they react to temperature changes. Tooth enamel is not damaged by hot liquids, but if something cold is consumed immediately afterward, the enamel contracts and could crack. Hot drinks are usually about 140 degrees Fahrenheit, ice cream is about 35 degrees. That much sudden change can be harmful to teeth.

Along the way with ANNIE MAE

Well I just finished making the cutest pair of red gingham pajamas to wear to Moonlight Madness on August 28, in hopes of getting a little discount on my purchases from some of the merchants.

I better buy a lot so I can save over \$50 since that's what it cost me to make the pajamas.

Actually the pajamas only cost six dollars, I broke the sewing machine needle, it flew into the motor and the \$44 was the cost of the repairs.

Fight against board financed by t-shirt sale

It seems that t-shirts advertising mayoral candidates are popping up all over Antioch.

The latest one bearing the words "Ernie Levas For

Mayor," plus a slogan referring to the Levas-Antioch Village Board legal battle, concerning the Levas store's right to sell drug paraphernalia, has been sold to over 200 people.

According to Ernie Levas, store owner, along with his brother Pete Levas, the profit from these shirts will go towards paying the legal fees incurred by their legal fight with the board.

Levas claims that the board was approached before the business on Main St. opened and a full explanation of the goods to be sold was given the board at the time. This included water pipes and other goods commonly, but not necessarily employed in the use of dope.

"It was after we were opened that the board passed the ordinance banning the sale of paraphernalia in Antioch just as North Chicago has done previously," Levas says.

"We had an 18-year-old legal limit set on the sale of paraphernalia from the beginning," he continues.

A federal court in Chicago upheld the village's right to pass and enforce the ordinance and the case is presently in the Federal Appeals Court.

Levas says that the State of Illinois just tried to have legislation passed on the same issue banning the sale of "drug" paraphernalia that would cover the entire state and it was defeated by 137 votes to five.

"Everything that was for

sale in the store, referring to the fact that the paraphernalia is no longer for sale, had a legal use. Water pipes were first put into use to prevent lip cancer," says Levas.

Mayor Mike Haley contradicts Levas by saying, "He was already open and selling the paraphernalia when he came to the board for the first time because he heard we were going to pass the ordinance."

Both sides will have to wait for the decision of the Appeals Court as will all interested parties.

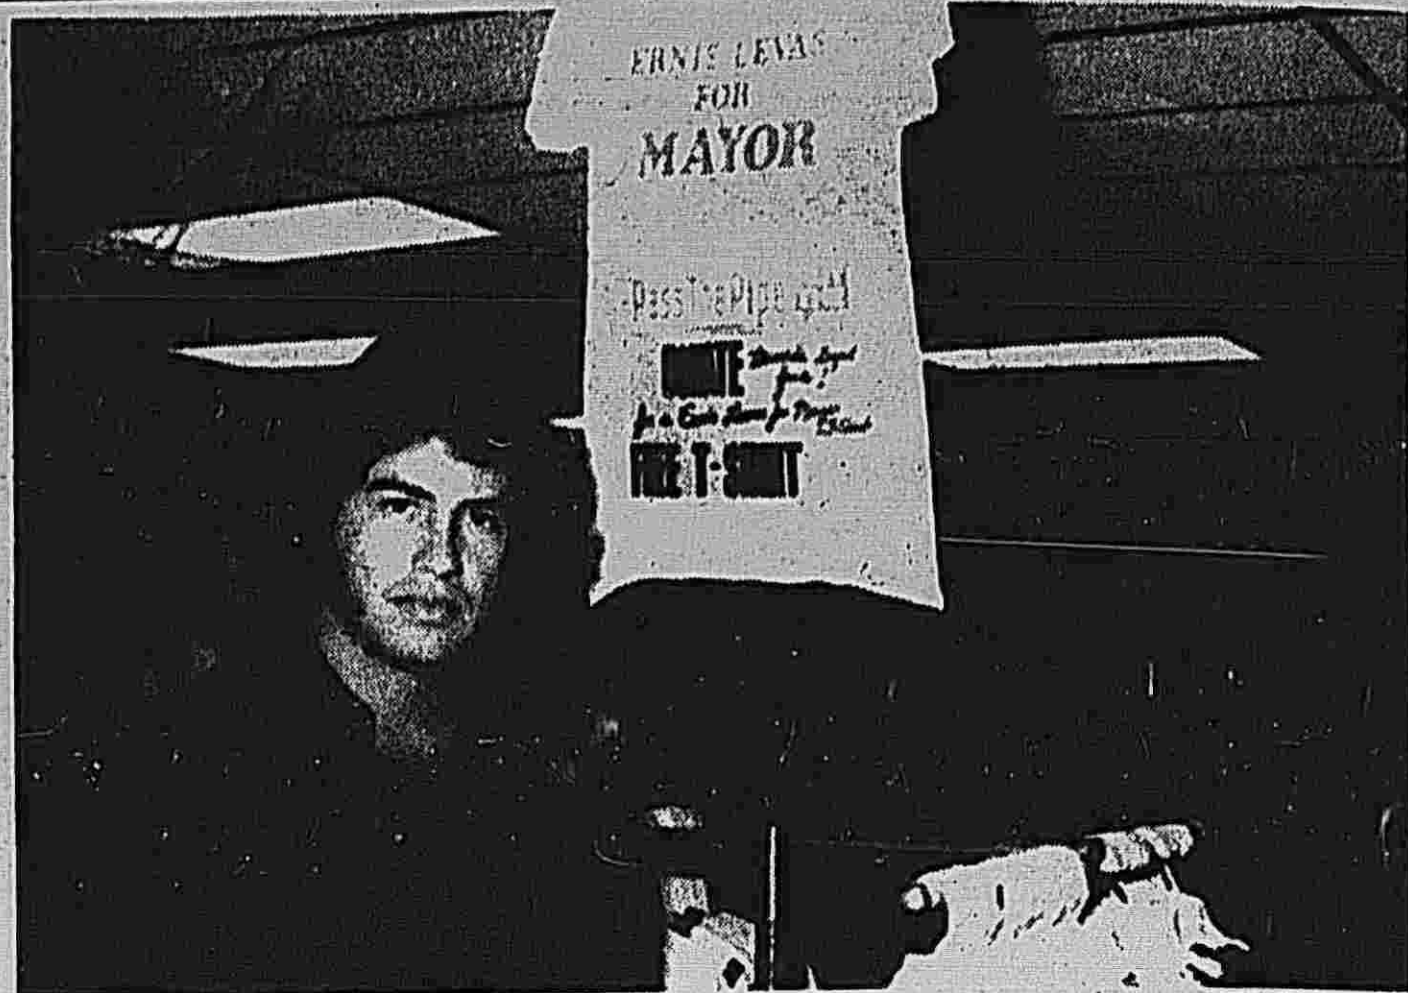

Shooter's Program slated by Jaycees

This fall the Antioch Jaycees will again present their much acclaimed, award winning Shooter's Education program.

The program will begin Wednesday, Sept. 3 at the Antioch Lower Grade School. The eight week first phase of the course will be taught from 6:30-7:30 p.m.

The second phase of the course will begin on Wednesday, Feb. 4, 1981. The course is open to youngsters age eight-14 at no cost.

THE ANTIOCH Jaycees included Shooter's Education for the first time last year in their community programming, and experienced remarkable success. The two competition

Mayor invited tour Chain with writers

Over 150 persons, including sports writers, prominent state and local officials and representatives of the Illinois Dept. of Conservation and Division of Tourism are expected to attend the first Chain O' Lakes writers tour on Monday, August 18.

An all-day affair, sponsored by the Northern Illinois Tourism Council and coordinated by Mrs. Margaret Tuck and Mrs. Marcie Kengott of Ingleside, is expected to make prominent Illinois persons more aware of the tourism value of the Chain O' Lakes.

Over 15 area outdoor writers have already applied for reservations, as well as State Rep. Dan Pierce; State Rep. Don Deuster (R-Mundelein); State Sen. Karl Berning (R-Deerfield); Fox Lake Mayor Richard (Butch) Hamm, Antioch Mayor Michael Haley and McHenry Mayor Joe Stanik are also expected to attend, said Mrs. Tuck.

Guests will get the chance to tour Illinois' most popular waterway system. Experts will speak on the 10-lake water system, including

water quality and fishing tips.

Orientation will take place at noon, August 18, at 615 E. Grand Ave., Ingleside, the junction of Rtes. 59 and 132 near Fox Lake. Representatives from the Illinois Office of Tourism, Illinois Dept. of Conservation and area officials will speak.

A complete excursion will be made of the Chain from 1 to 3 p.m. on private boats.

From 3 to 5 p.m., guests will have a free period to discover the area. Boats will be provided free for any persons interested in fishing, (bring your own tackle), and helicopter rides will be available for a skyline tour of the lakes.

An old fashioned chicken barbecue and drinks will follow from 5 to 7 p.m., and the night will end with an open bar at sunset the landmark Mineola Hotel, Fox Lake.

Persons wishing to attend who have not received an invitation must make reservations with Mrs. Tuck, at 587-2828 and will be charged for dinner.

HOMEMAKERS ACTIVE IN ANTIOCH — Homemaker Service helps families when mother is ill or hospitalized. Service is also available to aged persons during an emergency or time of crisis.

Antioch Homemakers active

Homemaker service to Antioch residents increased substantially during the past year according to figures recently released by Denis Morimoto, area administrator of Family Care Services of Lake and McHenry Counties.

These figures show that homemaker service to Antioch residents during fiscal 1980 more than tripled that of the previous year increasing from 104 hours of service in fiscal 1979 to 368 hours last year.

According to Morimoto, one of the reasons for the increase is the growing number of elderly citizens who currently utilize homemaker service. He explained that homemaker service places a trained homemaker in the home to assist families and aged persons during a time of crisis.

This includes child care, household budgeting, housekeeping and parenting skills. When elderly persons are involved, this may also include helping with personal needs.

He pointed out that in a time of crisis or emergency such as the illness of a mother with small children a homemaker may be placed in the home for as much as eight hours a day.

In other cases where such

intensive care is not required, such as service to an aged person needing minimal assistance, it may mean a four hour service period once or twice a week.

The Lake and McHenry counties office receives support from a number of United Ways in the area including the United Way of

Lake County.

The office is located at 509 E. Park Ave., Libertyville, and is a division of Family Care Services of Metropolitan Chicago.

Anyone who feels they might need homemaker service or who wishes additional information, should call Morimoto at 362-0761.

Harris increases Wilmot point lead

Point leader Whitey Harris, Lake Villa, posted fast time and then won the SCRAM 25-lap late model feature at Kenosha County Speedway August 6.

Milwaukee Stock Car Products, Inc. sponsored the late model and sportsman main events.

Hank Hovorka led until lap 12 when he dropped out with mechanical problems. Heat winner Al Schill took over and maintained a comfortable lead until he got caught up in traffic.

THAT GAVE Harris the opportunity to close the gap and he eventually took the lead on lap 19 when a slower car bottled up the two front runners.

Schill, Don Collins, Cloyce Friend and heat winner Bill Prietzel followed Harris in the top five.

Phil Rehberg and Joe Torri won heats along with Chuck Ostergaard winning his first Wednesday race in the semi-feature.

Jeff Wasckiewicz, Greenfield, won his first SCRAM sportsman 20-lap feature. He was followed by heat winner Joe Gresk, point leader Al Tietyen, Kurt Duerstein, who won his first heat earlier, and Bob Gutknecht.

LEE SOHNS posted fast time.

The Babicz Auto Racing Services (BARS) 15-lap spectator feature was full of action with Bill Damron blowing a tire while leading on lap two.

Rick Lawrence took top spot with a group of four cars: Lyle Derler, Steve Dei, Kim Mock and Lawrence in a battle for first.

Lawrence maintained the advantage until lap nine when Lyle Derler got by him in the second turn after a side by side battle. Lyle appeared in good shape when on lap 12 his car's engine compartment burst into flames as he streamed down the backstretch.

DERLER ALERTLY headed for a fire extinguisher and bailed out. The car was not seriously damaged as he drove it back to the pits. He was unin-

jured.

Steve Dei, Wheatland, took the lead on the restart and held on for the first checkered flag of his career. Lawrence, point leader Jim Pavlik, Kim Mock and Dan Derler completed the top five.

Dan Rausch posted fast time and won a heat with Jeff Zarnstoff, Ron Nietupski and Fran Prestay winning their first heats. Zarnstoff won the semi-feature.

QUESTION: What do you think of the "Billygate Affair?"

GLORIA KELLY, Channel Lake, "I don't think that the President has really done anything about it like he should."

LINDA BERSIE, Lakewood, "I think Billy's in too deep and Jimmy is being diplomatic. His wishes and his brothers are two different things. I don't think that the President knew anything about the money or any of the rest."

BETSY HOUGHTON, 1st St., "It's much ado about nothing. Jimmy has much more trouble with the economy than he has with Billy."

RON SOMMERS, Main St., "I think it's all ridiculous. Billy's ridiculous and so is Jimmy."

Engagement

TROST-KELLY

Mr. and Mrs. Carl Trost of Round Lake announce the engagement of their daughter Judy Trost to Dean Kelly, son of Mr. and Mrs. Richard Kelly of Antioch.

The bride-to-be is a 1979 graduate of Round Lake High School and is employed as an inspector for Burgess, Inc. BVI, Grayslake.

The groom-to-be is a 1977 graduate of Antioch Community High School and is an apprentice cabinet maker for Form Corp. in Mundelein.

ROHRS-VINGAN

Mr. and Mrs. Robert Lee Rohrs of Antioch announce the engagement of their daughter, Roxanne Rohrs of Antioch to George Vingan, III, of Grayslake, son of Mr. and Mrs. George Vingan, Jr., of Prairie View.

The wedding ceremony is planned for August 30 at St. Stephen Church in Antioch.

Discuss land use August 12

The fourth meeting of the Antioch Planning Area is scheduled for Tuesday, August 12, at 8 p.m. in the Antioch Township Hall.

There will be a brief review of previous analysis of committed and proposed development. Then they would like to develop an alternative plan for the planning area at the meeting which their staff will evaluate during the next month. They will bring data to assist in any land use changes residents wish to propose.

Correction

The picture that was identified as Don Erickson, that ran in the August 6 issue of the Antioch News, was a picture of Dr. George Sweeting, president of the Moody Bible Institute.

Sally Mueller, winner of the Miss Lakes region contest, sponsored by the Antioch Chamber of commerce and industry, was one of the finalists in the Miss Illinois Contest.

Miss Mueller was sponsored by the First National Bank of Antioch.

Smoking clinic at STATS

A "Quit Smoking" Clinic will be held from 7:30 to 9 p.m. at St. Therese Area Trauma Satellite (S.T.A.T.S.), Rte. 59, just south of Rte. 132 in Lake Villa, on August 25-28.

The four-day free clinic offers smokers the opportunity to discover why they smoke, help them identify ways to quit, and provides motivation as well as group support.

The clinic co-sponsored by the Lake County chapter of the American Cancer Society and St. Therese Hospital, is the first of many public service clinics being planned for S.T.A.T.S.

Would-be participants are encouraged to bring a friend to share the withdrawal experiences and the rewards of having overcome a health hazard.

Pre-registration is not required for the clinic which will feature films, panel and audience participation. Speakers include: Archie Extey, D.D.S., Janet Raiman, R.D., Mahesh Agarwal, M.D. and Barry Storter, M.D.

For more information, call St. Therese Hospital's Education Dept. at 578-2702.

Viking openings

Openings are still available for both players and cheerleaders for the Antioch Viking Football Team.

Registration will be held from noon to 3 p.m. on Sunday, August 10, at the Scout House.

Practice will start on Monday, August 11, at the high school football field.

Grass Lake registers

Registration for the Grass Lake School District 36 will be held from 8:30 a.m. to 3:30 p.m. on Monday, August 18, from 1 to 4 and 6 to 9 p.m. on Tuesday, August 19 and from 8:30 a.m. to 3:30 p.m. on Wednesday, August 20.

Percy approves Reagan tax cut

Senator Charles H. Percy (R-Ill.) today announced his support for a tax cut

proposal made by Ronald Reagan in a West Coast press conference.

"The tax cut plan announced today by Governor Reagan for individuals and

businesses, is an example of his effort to reach out to Congress, to work cooperatively in an effort to develop a program that can be supported by both the legislative and executive branches.

I was pleased to work with my Republican colleagues in the House and Senate on the provisions of this tax cut plan. I wholeheartedly agree that the federal tax burden must be reduced to revitalize our ailing economy and control excessive federal spending.

"JUST TWO WEEKS ago the Congress approved its Fiscal Year 1981 budget. I strongly opposed that budget because it achieved its so-called balance at the expense of American taxpayers. The budget increased federal taxes by almost \$90 billion.

"During Senate consideration of the budget, I supported two measures that called for balancing the budget by cutting both spending and taxes. The Senate rejected these measures.

Swim-A-Cross raised funds

The Lake County District, of the American Red Cross held its first public Swim-A-Cross at Wildwood Park District Beach on August 6, 1980.

The Swim-A-Cross is a fund-raiser in which swimmers collect pledges from sponsors for each lap completed.

Red Cross volunteers Binki Fry and Tiina Kriisa of Wildwood coordinated the event and were assisted by Johanna Blockinger and Maggie Milowski of Wildwood, Claudia Roncone of Antioch, and Patty Niemaszewski of Vernon Hills. Fry and Kriisa also recruited the 14 swimmers who participated in the event.

EACH swimmer will receive a patch and a certificate of appreciation for participating.

Elisa Walker of Wildwood will receive a jacket for collecting the most amount of money at this Swim-A-Cross.

Todd Blockinger, Binki

Fry, Jim Fry, Shaomae Fry, Steve Grove, Tim Grove, Tiina Kriisa, Beth Kuersten, Margaret Milowski, Christy Walker and Emily Walker will each receive a Red Cross Swim-A-Cross T-shirt for swimming 81 laps or collecting at least \$25.00.

Swingers Tee Off

Spring Valley Swingers had their day away at Chevy Chase Country Club.

Le Ann Roth had the longest drive, Marsha Olep had the longest putt.

Jan Bartel had the closest to the pin, Dot Rosenfeldt, fewest putts and Sandy Jacobs had the lowest score.

Lori Aerne had the highest score and Lois Korkow lost the most balls.

Beth Behne planned the day away which the women said they enjoyed!

Antioch tops McHenry invite

Antioch won the 14th Annual McHenry Invitational Tournament over the weekend.

Teams from McHenry, Wonder Lake, Round Lake, Woodstock and Lake Zurich participated along with Antioch.

In the opening game, Antioch defeated Round Lake 5-2.

CRAIG PRATHER was the winning pitcher as he struck out eight and allowed just one hit.

Antioch scored once in the first inning, once in the third, two in the fourth and one in the fifth.

In game two, Antioch demolished Wonder Lake 12-3.

Dan Berkiel was the winning pitcher as he struck out seven and gave up eight hits.

Craig Prather had a two-run home run. Tim Breston and Dave Latimer each had

two hits.

ANTIOCH SCORED two runs in the first inning, two in the second, three in the fifth and five in the sixth.

Things were a little tougher for Antioch in game three as they nipped Woodstock 6-5.

Dave Latimer was the winning pitcher as he struck out six and allowed just one hit.

Despite six Antioch errors which allowed all five unearned runs, they were able to pull off the victory.

Dan Berkiel had three hits, two doubles and a single. Ed Silva had a double and a single.

IN THE CHAMPIONSHIP game, Antioch defeated McHenry 2-1 in a pitchers dual.

Craig Prather was the winning hurler for Antioch as he struck out eight and allowed three hits.

The first Antioch run came

in the second inning on a hit by Dale Kellor, a walk to Phill Raven, a wild pitch and a sacrifice fly by Ed Poulos.

The winning run came in the bottom of the sixth inning with a single by Ed Silva, a walk to Latimer and a fielder's choice to Kellor which scored Silva.

THERE WAS ALSO some fine defensive play by Benkiel who threw out three runners attempting to steal second base and also put the tag on a runner attempting to score off a squeeze bunt play.

The championship team members are Joel Bissing, Barry Proctor, Dan Berkiel, Craig Prather, Ed Silva, Dave Latimer, Dale Kellor, Phill Raven, Ken Sandrick, Brian Becker, Ed Poulos, Tim Breston and Jim Wais.

The team is coached by Ron Raven with Tom Poulos as assistant.

THERE'S NO WAY TO BREAK THIS TO YOU GENTLY.

We're asking the Illinois Commerce Commission for another rate increase. A substantial increase, in two installments. Half this fall, half next summer.

Obviously, we don't expect anyone to be overjoyed by the prospect. Who could be? What we'd like is understanding, once you know the reasons why.

First, there's state law. It requires us to provide an adequate supply of electricity for northern Illinois. Not just enough to get by. Enough for eight million people, the instant they need it.

Second, that's not the half of it. Since we're regulated by law, the Commerce Commission examines our costs and sets our rates. When they're no longer high enough to do the job, we have to prove it at a rate hearing.

Third, hearings aren't pushovers. They're public trials before the Commission and the Commission can go as long as 11 months before it has to take final action.

Fourth, that's 11 months of inflation.

Inflation that eats away at the increases we've gotten. It's why our operating costs have been going up faster than our revenues since 1967. More than twelve percent faster.

Now, that may not sound like much to you, but to hundreds of thousands of people who've invested in us over the years, it's been devastating. If they bought our stock in the early '70s and sold it today, they'd lose half their money.

It's not the kind of situation that's going to inspire anyone to invest more. And more is what we need. A billion three hundred million dollars' worth, this year alone.

If we don't raise it, we don't have a prayer of upgrading our existing facilities. Or providing the additional 6.6 million kilowatts northern Illinois is going to sorely need in the '80s.

We've got no choice.

Not as long as you expect your air conditioner to keep going when it's 99° in the shade, or the furnace to pump hot air at 20° below.

No law has to tell you that. It's just common sense. We can't take tomorrow for granted.

NOTICE OF PROPOSED CONSTITUTIONAL AMENDMENT

Pursuant to law public
notice is hereby given that
the following proposed
amendment to the Illinois
Constitution will be sub-
mitted on a separate blue
ballot to the electors of the
State of Illinois for adoption
or rejection at the General
Election to be held
November 4, 1980.

PROPOSED AMENDMENT TO SECTION 8 OF ARTICLE IX

(Proposed changes in the
existing Constitutional
provision are indicated by
underscoring all new
matter. The proposed
amendment does not delete
any existing matter.)

ARTICLE IX

SECTION 8. TAX SALES

(a) Real property shall
not be sold for the non-
payment of taxes or special
assessments without judicial
proceedings.

(b) (1) The right of
redemption from all sales of
real estate for the non-
payment of taxes or special
assessments, except as
provided in paragraph (2) of
this subsection (b), shall
exist in favor of owners and

persons interested in such
real estate for not less than
two years following such
sales.

(2) The right of redemp-
tion from the sale for non-
payment of taxes or special
assessments of a parcel
real estate which:

(A) is vacant non-farm
real estate or (B) contains
an improvement consisting
of a structure or structures
each of which contains 7 or
more residential units or (C)
is commercial or industrial
property; and upon which all
or a part of the general taxes
for each of 5 or more years
are delinquent shall exist in
favor of owners and persons
interested in such real estate
for not less than 90 days
following such sales.

(c) Owners, occupants
and parties interested shall
be given reasonable notice of
the sale and the date of
expiration of the period of
redemption as the General
Assembly provides by law.

SCHEDULE

This amendment to
ARTICLE IX, Section 8 of
the Constitution takes effect
January 1, 1981.

FORM OF BALLOT

The proposed amend-
ment to Article IX will ap-
pear upon the Constitution

ballot in the following form:

PROPOSED AMENDMENT TO SECTION 8 OF ARTICLE IX

(Delinquent Tax Sale)

EXPLANATION OF PROPOSED AMENDMENT

The proposed Amendment
deals only with the problem
of long-term tax delinquency
on commercial, industrial,
vacant non-farm, and large
multi-unit residential prop-
erties. It has no effect on
single-family homes, farms,
or apartment buildings
containing 6 or less units.

The present Illinois law
attempts to place long-
standing tax delinquent
properties back on the tax
rolls after 5 or more years of
non-payment of property
taxes by the owner. To this
end, the county treasurer
conducts an auction, or
"scavenger sale", at which
the high bidder receives a
tax sale certificate.

Following the scavenger
sale, the Constitution now
guarantees the delinquent
owner 2 years to redeem or
buy back the property. The
high bidder cannot obtain
title to the property until
after this 2-year redemption
period has elapsed.

The proposed amendment
would allow the General
Assembly to reduce the 2-
year redemption period to no
less than 90 days following
the scavenger sale.

Place an X in blank op-
posite "YES" or "NO" to
indicate your choice.

	YES	NO
For the proposed Amendment to Section 8 of Article IX of the Constitution to author- ize the General Assembly to reduce the redemption period following certain tax sales which occur after property taxes have not been paid for (5) years.	<input type="checkbox"/>	<input type="checkbox"/>

Percy approves Reagan tax cut

Senator Charles H. Percy (R-Ill.) today announced his support for a tax cut

proposal made by Ronald Reagan in a West Coast press conference.

"The tax cut plan announced today by Governor Reagan for individuals and

businesses, is an example of his effort to reach out to Congress, to work cooperatively in an effort to develop a program that can be supported by both the legislative and executive branches.

I was pleased to work with my Republican colleagues in the House and Senate on the provisions of this tax cut plan. I wholeheartedly agree that the federal tax burden must be reduced to revitalize our ailing economy and control excessive federal spending.

"JUST TWO WEEKS ago the Congress approved its Fiscal Year 1981 budget. I strongly opposed that budget because it achieved its so-called balance at the expense of American taxpayers. The budget increased federal taxes by almost \$90 billion.

"During Senate consideration of the budget, I supported two measures that called for balancing the budget by cutting both spending and taxes. The Senate rejected these measures.

Swim-A-Cross raised funds

The Lake County District, of the American Red Cross held its first public Swim-A-Cross at Wildwood Park District Beach on August 6, 1980.

The Swim-A-Cross is a fund-raiser in which swimmers collect pledges from sponsors for each lap completed.

Red Cross volunteers Binki Fry and Tiina Kriisa of Wildwood coordinated the event and were assisted by Johanna Blockinger and Maggie Milowski of Wildwood, Claudia Roncone of Antioch, and Patty Niemaszewski of Vernon Hills. Fry and Kriisa also recruited the 14 swimmers who participated in the event.

EACH swimmer will receive a patch and a certificate of appreciation for participating.

Elisa Walker of Wildwood will receive a jacket for collecting the most amount of money at this Swim-A-Cross.

Todd Blockinger, Binki

Fry, Jim Fry, Shaomae Fry, Steve Grove, Tim Grove, Tiina Kriisa, Beth Kuersten, Margaret Milowski, Christy Walker and Emily Walker will each receive a Red Cross Swim-A-Cross T-shirt for swimming 81 laps or collecting at least \$25.00.

Swingers Tee Off

Spring Valley Swingers had their day away at Chevy Chase Country Club.

Le Ann Roth had the longest drive, Marsha Olep had the longest putt.

Jan Bartel had the closest to the pin, Dot Rosenfeldt, fewest putts and Sandy Jacobs had the lowest score.

Lori Aerne had the highest score and Lois Korkow lost the most balls.

Beth Behne planned the day away which the women said they enjoyed!

Antioch tops McHenry invite

Antioch won the 14th Annual McHenry Invitational Tournament over the weekend.

Teams from McHenry, Wonder Lake, Round Lake, Woodstock and Lake Zurich participated along with Antioch.

In the opening game, Antioch defeated Round Lake 5-2.

CRAIG PRATHER was the winning pitcher as he struck out eight and allowed just one hit.

Antioch scored once in the first inning, once in the third, two in the fourth and one in the fifth.

In game two, Antioch demolished Wonder Lake 12-3.

Dan Berkiel was the winning pitcher as he struck out seven and gave up eight hits.

Craig Prather had a two-run home run. Tim Breston and Dave Latimer each had

two hits.

ANTIOCH SCORED two runs in the first inning, two in the second, three in the fifth and five in the sixth.

Things were a little tougher for Antioch in game three as they nipped Woodstock 6-5.

Dave Latimer was the winning pitcher as he struck out six and allowed just one hit.

Despite six Antioch errors which allowed all five unearned runs, they were able to pull off the victory.

Dan Berkiel had three hits, two doubles and a single. Ed Silva had a double and a single.

IN THE CHAMPIONSHIP game, Antioch defeated McHenry 2-1 in a pitchers dual.

Craig Prather was the winning hurler for Antioch as he struck out eight and allowed three hits.

The first Antioch run came

in the second inning on a hit by Dale Kellor, a walk to Phill Raven, a wild pitch and a sacrifice fly by Ed Poulos.

The winning run came in the bottom of the sixth inning with a single by Ed Silva, a walk to Latimer and a fielder's choice to Kellor which scored Silva.

THERE WAS ALSO some fine defensive play by Benkiel who threw out three runners attempting to steal second base and also put the tag on a runner attempting to score off a squeeze bunt play.

The championship team members are Joel Bissing, Barry Proctor, Dan Berkiel, Craig Prather, Ed Silva, Dave Latimer, Dale Kellor, Phill Raven, Ken Sandrick, Brian Becker, Ed Poulos, Tim Breston and Jim Wais.

The team is coached by Ron Raven with Tom Poulos as assistant.

We're asking the Illinois Commerce Commission for another rate increase. A substantial increase, in two installments. Half this fall, half next summer.

Obviously, we don't expect anyone to be overjoyed by the prospect. Who could be? What we'd like is understanding, once you know the reasons why.

First, there's state law. It requires us to provide an adequate supply of electricity for northern Illinois. Not just enough to get by. Enough for eight million people, the instant they need it.

Second, that's not the half of it. Since we're regulated by law, the Commerce Commission examines our costs and sets our rates. When they're no longer high enough to do the job, we have to prove it at a rate hearing.

Third, hearings aren't pushovers. They're public trials before the Commission and the Commission can go as long as 11 months before it has to take final action.

Fourth, that's 11 months of inflation.

Inflation that eats away at the increases we've gotten. It's why our operating costs have been going up faster than our revenues since 1967. More than twelve percent faster.

Now, that may not sound like much to you, but to hundreds of thousands of people who've invested in us over the years, it's been devastating. If they bought our stock in the early '70s and sold it today, they'd lose half their money.

It's not the kind of situation that's going to inspire anyone to invest more. And more is what we need. A billion three hundred million dollars' worth, this year alone.

If we don't raise it, we don't have a prayer of upgrading our existing facilities. Or providing the additional 6.6 million kilowatts northern Illinois is going to sorely need in the '80s.

We've got no choice.

Not as long as you expect your air conditioner to keep going when it's 99° in the shade, or the furnace to pump hot air at 20° below.

No law has to tell you that. It's just common sense. We can't take tomorrow for granted.

The Time Machine

50 YEARS AGO: AUGUST 14, 1930

E. Elmer Brook, former Antioch banker, has been appointed state bank examiner, it was announced this week by Oscar Nelson, state auditor of public accounts.

The "secret six" of Col. Robert Isham Randolph of Chicago report the conclusions drawn from their investigations as pointing to Harry Higgins, of Minneapolis, as the killer of the Deep Lake murder victim. The women is supposed to have been the former sweetheart of Higgins who after killing her, severing her limbs, threw her body into the lake, because she was too well acquainted with his under-world activities.

Secretary of State, William J. Straton yesterday granted the Dayton Hotel company of Antioch a charter for the purpose of selling stock in a hotel and theatre building, according to reports from Springfield. The incorporators were Ray Pregenzer, Herbert J. and Edmund F. Vos, William Rosing, Fred Dayton, E.M. Runyard and William R. Behanna.

The Hawkins and Gillmore families from Antioch, Gurnee and Bristol held their annual reunion picnic at the Fox River Park Sunday. About 125 were present. A ball game between the younger men and the older men proved those of more advanced age to be winners.

Mrs. Lillian Murdock, 68 years, died at her home in the village of Bristol, August 6. Mrs. Murdock was the oldest woman settler in Bristol Township. She spent nearly all her life there and was educated there.

30 YEARS AGO: AUGUST 17, 1950

Antioch needs a hospital. Antioch has five good physicians and surgeons who have to travel at least 20 miles to visit hospitalized patients. The Charles Ackerman property on Main St., north of the Methodist Church, was pointed to as possibly suitable for conversion into a hospital.

When Antioch girls persisted in wearing levis and jeans in masculine fashion at the Sequoia roller skating rink the boys turned up last night in feminine apparel. And they did a good job of it too. Short skirts and blouses prevailed and make-up was artistic.

Mrs. Robert Wilton and sons, Bob and Bill, returned home Monday after spending several days with relatives at Pittsfield, Illinois.

The Antioch Recreation lanes has been purchased by four local men, Elroy Anderson, Ed Carney, Emil Hallwas and Louis Bauer.

The Antioch High School lighted diamond will be the scene of a battle to determine the city organization softball championship next Thursday, when the Antioch Lions club, the Antioch Fire department and the Antioch Moose will tangle to a finish.

10 YEARS AGO: AUGUST 13, 1970

Sons of the Pioneers will appear at the Kenosha County Fair on Saturday and Sunday, August 15 and 16.

The Antioch Little League Tournament team is participating in a double elimination tournament in Gurnee.

Robert McClory today named his wife, Doris McClory, as his campaign manager in his race for re-election to Congress.

Henny Youngman, fresh from the triumphs on the Merv Griffin show, will appear in person, two nights at the Antioch Country Club.

"Wedding Belles, 001 to 1970," will be the fashion show by Mrs. Phyllis McMillen at St. Peter Salad Bar Luncheon, Saturday, August 15.
